AND WORLD TEAM TRIALS**

## **2007 FILA Jr. World Team Selection**

**As approved by Executive Committee National Council of FILA Junior World/University Directors, on  
February 2, 2004**

The representatives to the FILA Junior World Championships will be selected based upon a team trials process to be held as soon after the college school year as possible. The winner of the FILA Junior National Championships at the FILA World Championship weights will sit at the top of the ladder and wrestle a best of three final against the winner of a mini-tournament. The winners of the non-FILA weights from the National Championships must choose a FILA World Championship weight and will be drawn in to the mini-tournament.

The team trials will be preceded by a five to ten day training camp (to be decided based upon time and bed space available). The athletes will be invited to attend and compete based upon the following criteria:

- Top three place winners from the Junior Nationals who fit the qualifying criteria.
- The top six place winners from the FILA Junior National tournament.
- Any All-American from the University Nationals who fit the qualifying criteria.
- Any All-American from the NCAA Division I Nationals who fit the qualifying criteria.
- Any All-American from the Senior Nationals who fit the qualifying criteria.
- Any finalists from the NCAA DII Nationals who fit the qualifying criteria.
- Any finalists from the NCAA DIII Nationals who fit the qualifying criteria.
- The Champions from the NAIA Nationals who fit the qualifying criteria.
- The Champions from the Junior College Nationals who fit the qualifying criteria.
- Two wild cards for petitioning in by any athlete injured during the qualifying process or requested by the National Coaching Staff. The final decision to be made by the national team coaches.

The camp schedule will be:

- Five to ten days of preparation, focusing on techniques and drills. The athletes will be expected to arrive in competition shape with their weight under control. Hard wrestling will not be required between wrestlers in the same weight category unless requested.
- Weigh-ins will be conducted the evening prior to the challenge-tournament.
- After conclusion of the finals bouts there will be a last day devoted to getting them on track for the up and coming world competition and getting journals and training schedules to them so their progress can be monitored.
- Any required expenses on the athlete's part will be discussed and guidance will be given to help athletes get expense money together with dates established for receiving any funds needed.

To further our chances of performing well at the world level, USA Wrestling will attempt to incorporate the Junior Worlds with a pre-worlds competition and training camp. USA Wrestling is looking to provide an opportunity to compete internationally, as well as provide further training before the Junior World Championships. This may require that some of the funding come from the individuals themselves and/or their clubs or universities.

As is the case of the Senior Athletes, athletes that do not have funded access status will be responsible for the expenses involved in the preliminary camp and trials. All athletes will be responsible for their own transportation to and from the trials event. Do not book your transportation so tight that you do not have time to meet all obligations on your part should you win the trials. There will be a photo session and team meeting after the finals on Saturday.

**Registration:** All athletes wishing to attend the FILA Junior World Team Camp and FILA Junior World Team Trials MUST register online via [www.themat.com](http://www.themat.com). For questions, contact Pete Isais, USA Wrestling Director of National Events, at 719.598.8181 or email [pisais@usawrestling.org](mailto:pisais@usawrestling.org).
