FACILITY CHECKLIST, PRE-EVENT CHECKLIST AND WAIVER POLICIES AND PROCEDURES

In order to protect the interests of USA Wrestling (USAW) and to diminish the possibilities of detrimental lawsuits against the corporation, USA Wrestling has established policies and procedures to conduct facility inspections, pre-event inspections and obtain signed "Waiver and Release from Liability" forms from members. Conducting these inspections and obtaining waivers will assist USAW in its efforts to keep insurance costs to a minimum without compromising the excellent quality of benefit provided.

By working together in this area of risk management, USAW Clubs and Events will share in providing participants safe environments in which to enjoy all the benefits of our great sport.

A copy of the waiver and release to be used is enclosed in the club/event return packet and is also made part of the membership card.

Please note that failure to follow the policies and procedures below may result in loss of insurance coverage for a claim that may occur at your club activity or sanctioned event. Thus you would become liable for any and all claims made against the club or event.

Should you have any questions please do not hesitate to contact USA Wrestling's Department of State Services – 1-719-598-8181.
